# SPECIALIZATION IN INTERNATIONAL FINANCE

Curriculum designed, developed & delivered by

FOR THE 1<sup>ST</sup> TIME IN INDIA  
INTERNATIONAL FINANCE  
INTEGRATED WITH US- CPA

## Why SPECIALIZATION IN INTERNATIONAL FINANCE

Increasing demand due to global business trends.

International finance aims at creating industry ready professionals to bridge the skill gap

The specialization is jointly certified by US-CPA, ensures the PGDM graduates are equipped with the right kind of skills and expertise to fit into every kind of industry

The specialization clubs the CPA training with required additional skills & sap training on the finance module and financial analytics from ibm

Asm's edge program that includes business leadership through online courses and case studies from Harvard Business Publishing

A student completing integrated of PGDM in international finance can look at niche opportunities like Forensic Accounting, International Accounting, Environmental Accounting, Academics & Research, Information Technology, General Accounting, Tax Accounting

A CPA will have knowledge of us generally accepted accounting principles (GAAP), IFRS (international Financial Reporting Standards), generally accepted accounting standards (GAAS), US federal taxation and business laws which will give them an edge over CAS.

Flexible career options

ACCORDING TO 2018 SALARY SURVEY FROM NATIONAL ASSOCIATION OF COLLEGES AND EMPLOYERS (NACE), GRADUATES WITH A BACHELOR DEGREE IN FINANCE IN THE US CURRENTLY EARN AN AVERAGE STARTING SALARY OF \$50,833 AND UK ACCOUNTING GRADUATES EARN STARTING SALARY UPTO \$35,500 ONCE QUALIFIED AS A CPA

**Varun Jain**  
CPA, CMA, Harvard B-School Alumnus  
(Ex-Deloitte & Morgan Stanley)  
Advisor-International Finance, ASM's IBMR

"CPA is the highest accounting qualification in the US with global credibility in the world of finance. It is a great initiative by ASM IBMR to be the first B-School in India to integrate the CPA program into PGDM - International Finance, especially given the fact that the Big 4, including Deloitte, EY, KPMG and PwC, and MNCs across India and globally look forward to recruiting fresh graduates who have earned their CPA."

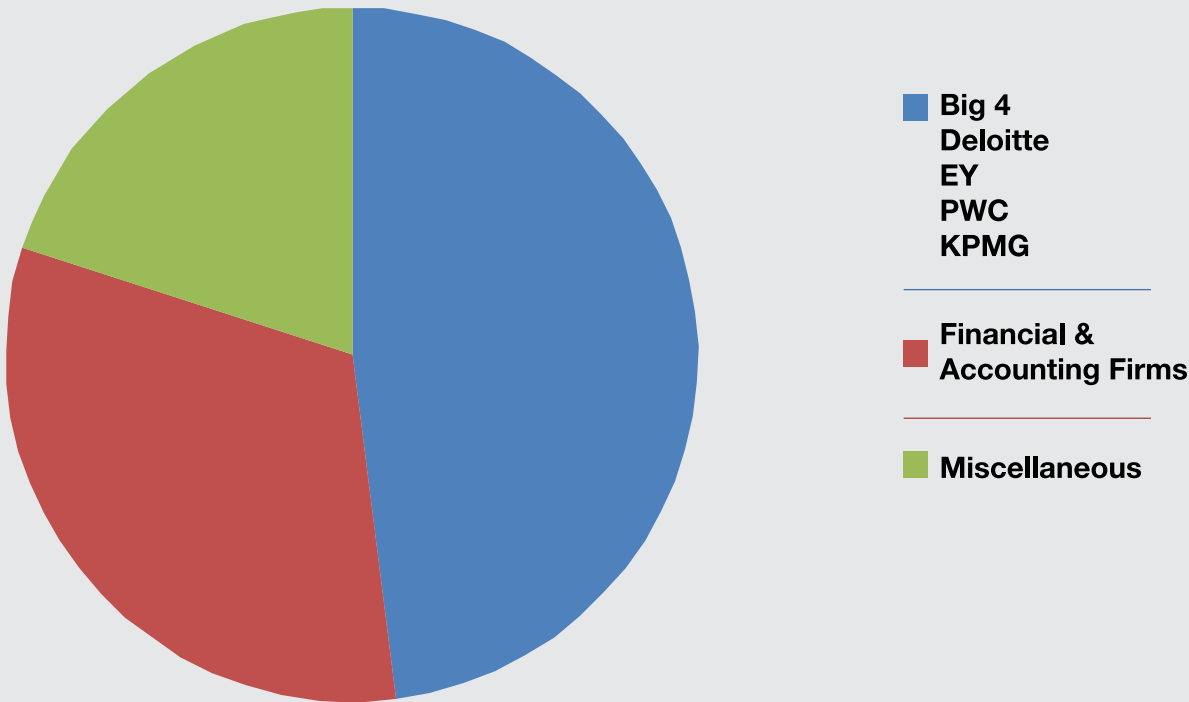

**Jasmin Shajahan**  
PGDM program that I pursue at ASM is a rewarding experience providing me with a deep and thorough fundamental academic knowledge.

**Krishnandu Saha**  
PGDM program gives me the credibility, and definitely provided me the ability to be engaged in different industries that may not have been offered to me previously.

# SPECIALIZATION IN LOGISTICS MANAGEMENT

Curriculum designed, developed & delivered by

## Why SPECIALIZATION IN LOGISTICS MANAGEMENT

Increase in demand due to market dependency on third party logistics companies, organisations that sell directly to consumers (Retailers And Supermarkets) and logistics consultancies

This specialization enables students to understand the importance and dynamics of a firm's physical distribution functions and management of its supply chain, rapid response and reduced costs

The specialization is jointly certified by Safeducate, ensures the PGDM graduates are equipped with the right kind of skills and expertise to fit into the industry

Jobs within logistics and supply chains can include logistics and distribution managers, purchasing manager or warehouse manager, supply chain design and planning, procurement and supply management, freight transportation, warehouse design and management, distribution network design and planning, inventory management and control

Subject delivery is through the industry experts & highly qualified teachers

According to 'Logistics Market in India 2015-2020' by market researcher Novonous, India's logistics industry is worth \$300 billion

Indian logistics market itself is estimated to grow at a CAGR of 12.17 per cent by 2020

**Suhalee Mitra**

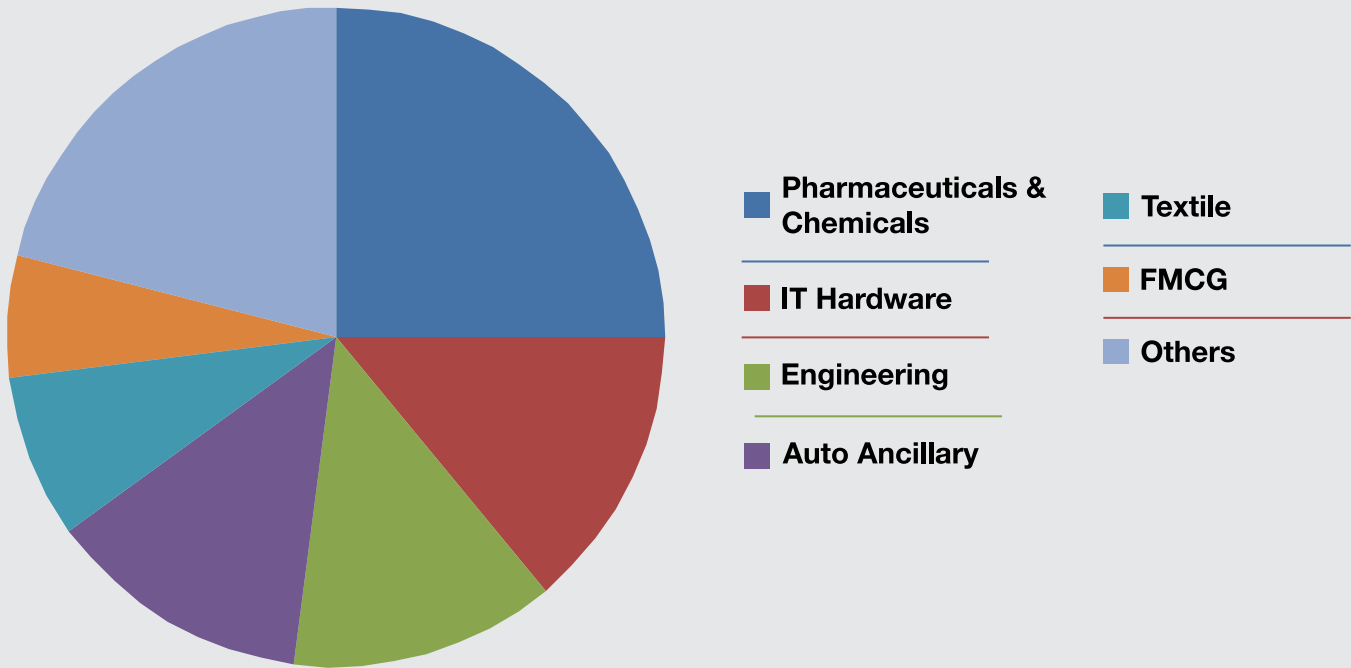

It is a very good experience studying at ASM. The program structure covered all aspects with detailed organization and implementation of a complex operations. ASM was a rewarding experience providing me with a deep and thorough fundamental academic knowledge.

**Suman Kumari**

During the curriculum along with theoretical knowledge I'm able to get actual industry experience through various extra-curriculum activities which helps me to groom myself for the better placements.
